OFFICE OF THE SECRETARY

I am writing this letter to appeal the decision to close the Chillicothe Iowa Post Office postal zip code 52548 due to the fact the Postal Service did not seek to fill the vacant Postmaster position . I feel that although the postal employees coming to Chillicothe to host a public meeting they did not listen to us at all. The community would be financially impacted by the removal of the post office although they suggested that we go to Ottumwa to receive our mail they apparently have not went into the Ottumwa post office as a customer and waited for long periods of time and not dealing with anyone that has any customer service skills. So again I would like to appeal the closing of the Chillicothe Iowa post office.

Sincerely,
